

Prince George's Chargers Youth Athletic Association Newsletter

PGC Ministries

PGC Ministries was founded in November 2009, when God confirmed in the hearts of both Jaison & Shellon Young that their work was not done as Administrators in the Church of God. In January 2007, God gave Jaison the mission and vision of the Prince Georges Chargers. Through much prayer and the faith in the path that God gave him, Reverend Jaison continued to P.U.S.H (pray until something happens). PGC Ministries was created for the sole purpose of winning souls to Christ.

PGC Ministries will accomplish the task that God has laid out for us by: creating, establishing, and operating ministry under the direction of God; proclaiming Christ as our Lord and Savior; bringing people to know Him and to take Christ into the world; reaching out to those in need of Christ; assisting, building and supporting families through teaching the word of God; praying and fellowshiping in an effort to promote better Christian families in our

community.

Proverbs 22:6 says "Train up a child in the way he should go: and when he is old, he will not depart from it."

Through the PG Chargers, we have been able to train players on the field and now we have the opportunity to train them and their families in the ways of God through biblical principles.

PG Chargers have touched so many kids and families through the avenue of football and now its time for us to move forward and touch even more through PGC Ministries.

PGC Ministries is working on a free health and financial workshop for all adults. Also, we are working on providing a free tutoring service for your child when school starts. More information to follow. If you know of or have a high school student that is in need of community service hours, please see Shellon or Jaison Young.

Lastly, PGC Ministries will be doing a bible study. We will let you know the day, time, and location by August. PGC Ministries has several things planned. But in order for this to occur, we are asking for your help. Please let us know if you are able to volunteer so we can have a better and blessed year.

PGC Baseball Season Kicks off April 1st/Football begins in July

PG Chargers Baseball

Baseball ages 5-12.

Registration begins March 1st
\$150.00.
