Dear Community Partner,

The Prince Georges Chargers Inc (PG Chargers) is seeking your support in our goal to raise \$10,000 to provide sports and cheerleading to the youth in Prince George's County and the state of Maryland. Our campaign 100 for \$100 will run from July to September and we are asking for your assistance.

The PG Chargers are entering our 5th season of developing the youth of our county. As an association of over 200 youth and a host of volunteers, we take great pride in the achievements of this program. We operate at the highest level and are a strong catalyst in keeping the youth of our community off the streets and on the playing field. Each year we continue to advance our mission to teach children the fundamentals of sports; the art of cheerleading and dance, while promoting discipline, academic excellence, dedication and teamwork in a fun environment. We have seen many lives changed for the better.

One of the biggest obstacles our organization faces is providing quality playing and learning experiences for all participants on a very limited budget. With the rapid growth of our program from year to year two, we have capital funding needs totaling more than \$25,000. These funds are used to purchase new uniforms and equipment for our sports teams and cheerleading squads. Additionally, three of our teams have been selected to travel and play at the NFL Hall of Fame in Ohio in August.

The goal of The Prince George's Chargers is to continue to make a difference in the county and the state and ultimately the nation. With the help of donations from supporters such as you, we **WILL** continue to have an impact for our young people and future leaders. Studies have shown that children who participate in sports are more likely to succeed as adults. We hope to give our children this advantage in life.

We hope you will join us in reaching our fundraising goal. Your \$100 donation or more can be made online at: www.pgchargers.org or by sending a check payable to PG Chargers, Inc. @ PO Box 5403 Upper Marlboro, MD 20775

For more information, please contact me directly at kathy@pgchargers.org or 301-352-4275. We sincerely thank you for your time and continued support.

Sincerely,

Kathy Chambers, Fundraising Chair

"Whatever it takes for the kids to be successful, tell me and I will do it"
